## Profile

Current Undergraduate with a double degree from Swinburne University, specializing in graphic design. Currently completing a Graphic Design internship at Reflex Group in New York City, with prior internship experience at Robotic Marketer. Proficient in Adobe Suite and various media tools. Seeking opportunities to expand knowledge and confidence in professional environments. Long-term goal is to become a valued team member in a reputable company, focusing on effective client communication and delivering high-quality outcomes.

## Work Experience

### Graphic Design Intern at Reflex Group, New York City, USA

November 2024 - February 2025, Full Time

- Assisting the entire design department at Reflex Group
- Participating in the execution of several advertising campaigns for a range of luxury companies
- Gaining knowledge in communication design strategies and digital design outcomes
- Learning to work within a creative brief from a client to deliver print ads and digital campaigns
- Learning to implement all communication design strategies

### Floor Staff / Graphic Design Assistant at Teller, Melbourne

October 2023 - October 2024, Casual

- Assist with graphic design tasks, including redesigning A La Carte menu for improved readability using Canva
- Create website pages for weekly specials using Squarespace
- Maintain high customer service standards by remembering regulars to encourage repeat business
- Serve at high-profile business events, including weddings, engagements, and business meetings

### Graphic Design Intern at Robotic Marketer, Malvern

August 2023 — November 2023, Part Time

- Completed client logo, business card, letterhead, and document template designs for marketing strategies using Adobe Illustrator.
- Maintained direct communication and received direction from company boss.

### Floor Staff at Living Room, Templestowe

December 2020 — January 2023, Casual

- Created a personable dining experience by delivering a high standard of customer service.
- Recited verbal specials directly to patrons.
- Managed phone and in-person booking inquiries.
- Handled money and demonstrated strong proficiency with the POS system.

## Volunteer Experience

### 7 Women Foundation, Kathmandu

December 2019

- Assisted for 9 days with setting up educational services for the foundation's female share house in Kathmandu.
